

## **North Pole Summit: A Unique Opportunity for Polar-Passionate Travelers**

<https://quarkexpeditions.wistia.com/medias/il8h3g5zjc>

Expeditions to the North Pole are a unique travel opportunity — for a very specific type of client who seeks a truly exclusive and brag-worthy experience. And this summer we've added an extra special event on one of our voyages: [The North Pole Summit](#). Account Manager Jonathan Carrol and Polar Travel Adviser Paul Shuster will share with you the unique opportunities of this extra-special expedition and:

- Explore the once-in-a-lifetime meeting of the minds that will take place enroute to 90°N, featuring presentations on global citizenship by 7 international climate-change thought-leaders and polar experts
- Highlight why traveling on the mighty *50 Years of Victory* icebreaker is a singular travel experience
- Share insights on selling North Pole as a destination

## **Quark Expeditions: Connecting Greenland Travelers with Epic Expedition Experiences**

<https://quarkexpeditions.wistia.com/medias/opc6ai1s20>

It's one of the hottest destinations on the planet, having topped both National Geographic and Lonely Planet's lists of the best places to travel this year. Greenland's majestic fjords and icebergs defy imagination; the warmth of the people and their fascinating culture delight visitors the world over. Account Manager David Tanguay will introduce you to the wonders of Greenland and share key information about:

- The rich adventure and exploration opportunities it has to offer
- How to match clients to the perfect expedition for their unique travel goals
- How to ensure your clients make the most of every moment spent exploring Greenland
